

vector_resize

```
graph LR; A[vector_resize] --> B[calculate_new_capacity]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is filled with a dark gray color and contains the text 'vector_resize'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white with a dark gray border and contains the text 'calculate_new_capacity'.

calculate_new_capacity
